

Washing Machine

Make it in MS Paint

1. **Shapes > Rounded rectangle:** Draw the tall blue machine body.
2. **Shapes > Rectangle:** Add a yellow drawer near the top left.
3. **Shapes > Oval:** Hold Shift to draw two red buttons across the top.
4. **Shapes > Oval:** Add a large yellow circle, then a smaller blue circle inside.
5. **Shapes > Rounded rectangle:** Add a small red handle inside the large circle, on the right.
6. **Fill with color:** Fill each closed shape to match the picture.

Find and Count

Point to the red buttons across the top. How many can you find?

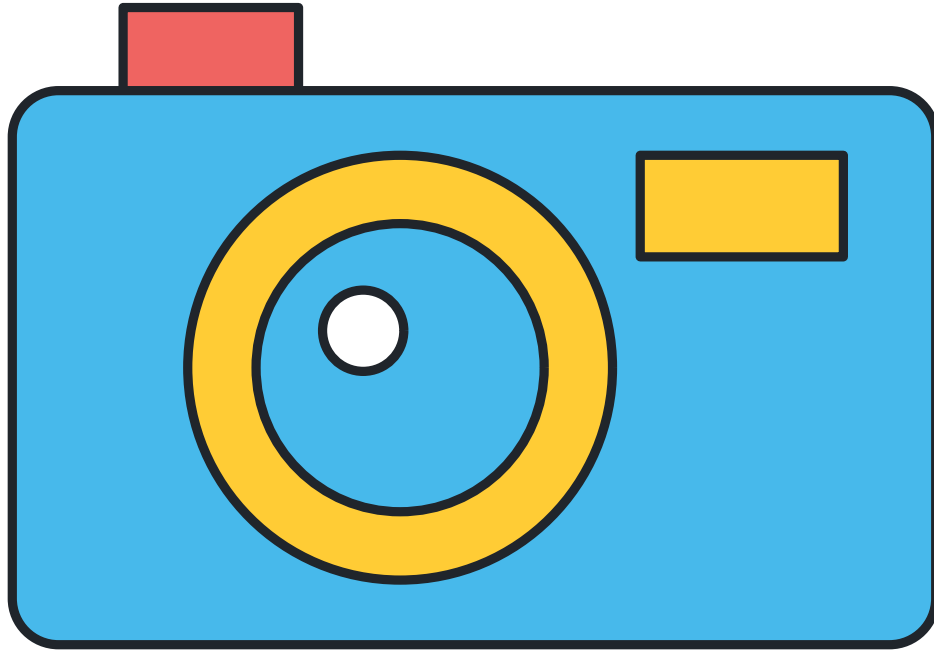

I found _____ buttons.

☐ Shapes drawn

☐ Colours added

☐ Finished

Camera

Make it in MS Paint

1. **Shapes > Rectangle:** Draw a small red shutter button first.
2. **Shapes > Rounded rectangle:** Draw the wide blue camera below the button.
3. **Shapes > Rectangle:** Add a yellow flash near the top right.
4. **Shapes > Oval:** Hold Shift to draw a large yellow lens circle.
5. **Shapes > Oval:** Draw a smaller blue circle inside. Add a tiny white circle inside it.
6. **Fill with color:** Fill the body, button, flash and lens as shown.

Find and Count

Point to the circles in the lens. How many can you find?

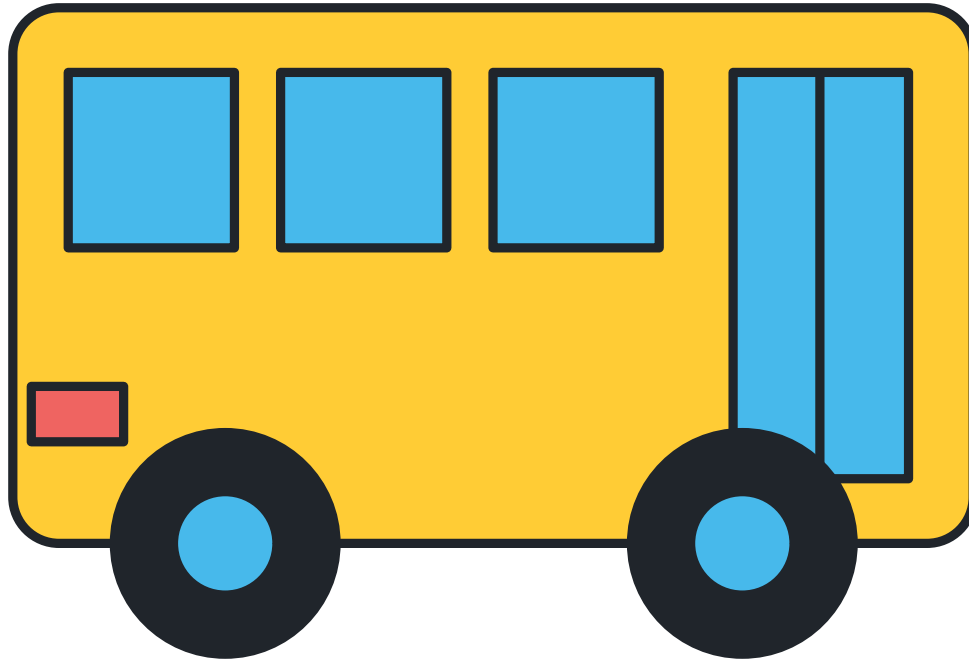

I found _____ circles.

☐ Shapes drawn

☐ Colours added

☐ Finished

Bus

Make it in MS Paint

1. **Shapes > Rounded rectangle:** Draw a long yellow bus body.
2. **Shapes > Rectangle:** Add three blue windows in a row, leaving equal gaps.
3. **Shapes > Rectangle:** Draw a tall blue door on the right.
4. **Shapes > Line:** Split the door down the middle. Use Rectangle for the red light.
5. **Shapes > Oval:** Hold Shift for two black wheels. Add a small blue circle inside each.
6. **Fill with color:** Fill each closed area to match the picture.

Find and Count

Point to the blue passenger windows, above the red light. How many can you find?

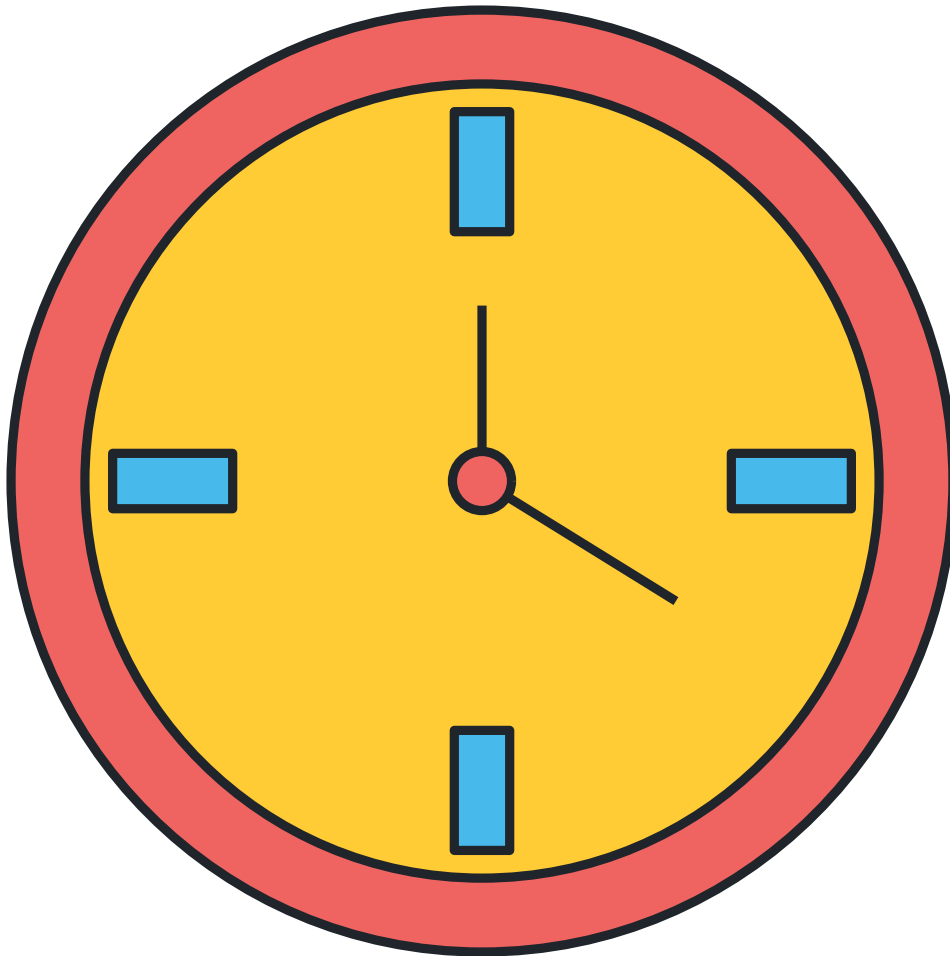

I found _____ windows.

☐ Shapes drawn

☐ Colours added

☐ Finished

Wall Clock

Make it in MS Paint

1. **Shapes > Oval:** Hold Shift to draw a large red circle.
2. **Shapes > Oval:** Draw a smaller yellow circle inside, leaving an even red rim.
3. **Shapes > Rectangle:** Add a blue mark at the top and another at the bottom.
4. **Shapes > Rectangle:** Add a blue mark on the left and another on the right.
5. **Shapes > Line:** Draw two hands from the centre: one up, one down to the right.
6. **Shapes > Oval:** Add a small red circle over the point where the hands meet.

Find and Count

Point to the blue time marks. How many can you find?

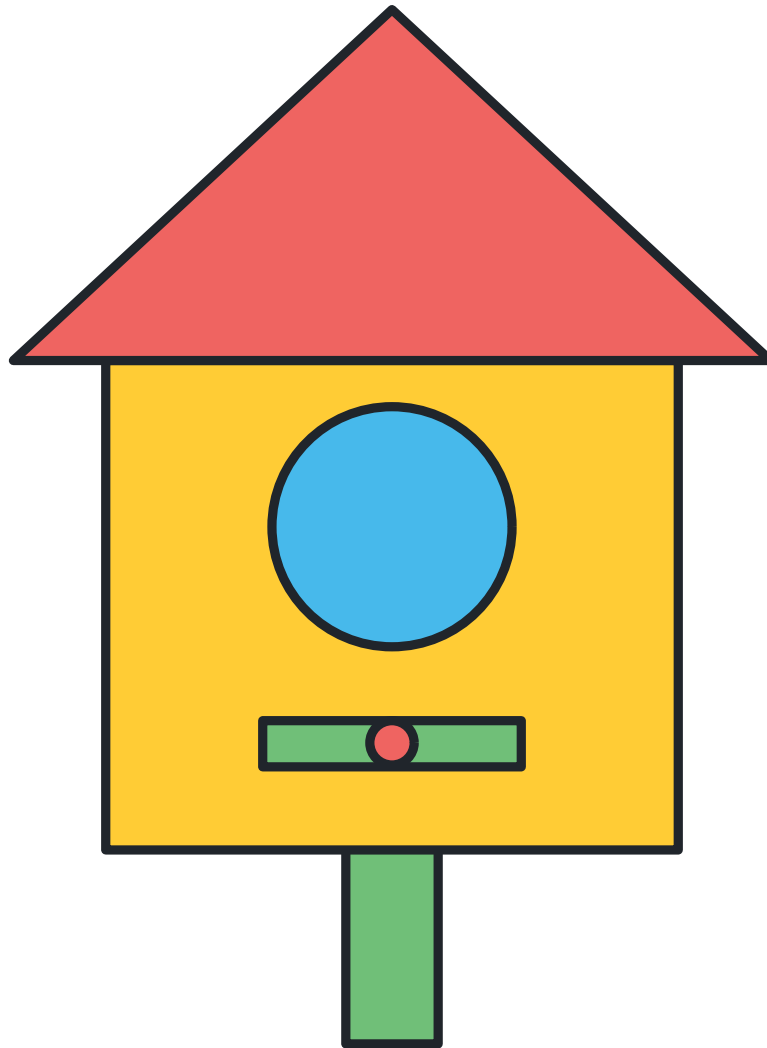

I found _____ marks.

☐ Shapes drawn

☐ Colours added

☐ Finished

Birdhouse

Make it in MS Paint

1. **Shapes > Rectangle:** Draw a narrow green post near the bottom.
2. **Shapes > Rectangle:** Add a yellow house body over the top of the post.
3. **Shapes > Triangle:** Draw a wide red roof on top of the house.
4. **Shapes > Oval:** Hold Shift to add one blue entrance circle.
5. **Shapes > Rectangle:** Add a thin green perch below the entrance.
6. **Shapes > Oval:** Add a small red circle on the perch. Fill all closed shapes.

Find and Count

Point to the rectangles in the house, perch and post. How many can you find?

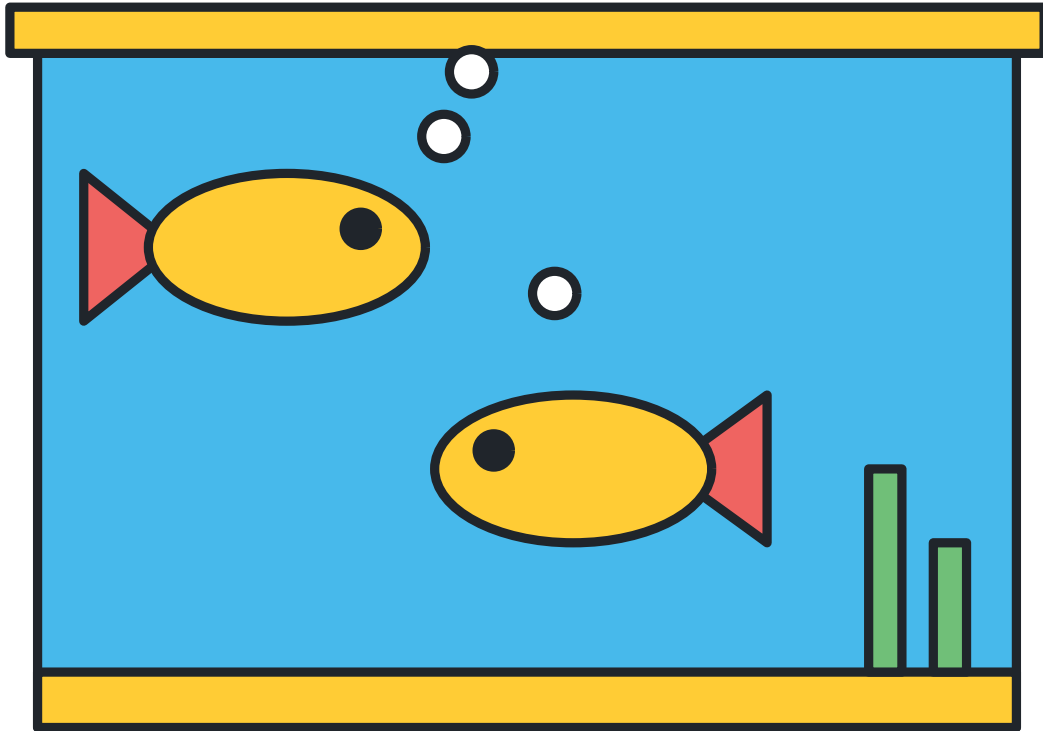

I found _____ rectangles.

☐ Shapes drawn

☐ Colours added

☐ Finished

Fish Tank

Make it in MS Paint

1. **Shapes > Rectangle:** Draw the blue tank. Add yellow strips along the top and bottom.
2. **Shapes > Line:** Join three lines for each red triangle tail. Point the tails towards the tank centre.
3. **Shapes > Oval:** Draw a yellow fish body over the point of each tail.
4. **Shapes > Oval:** Add one small black eye to each fish.
5. **Shapes > Oval:** Hold Shift to add three white bubbles. Use Rectangle for two green plants.
6. **Fill with color:** Fill the fish, water, plants and strips as shown.

Find and Count

Point to the white bubbles. How many can you find?

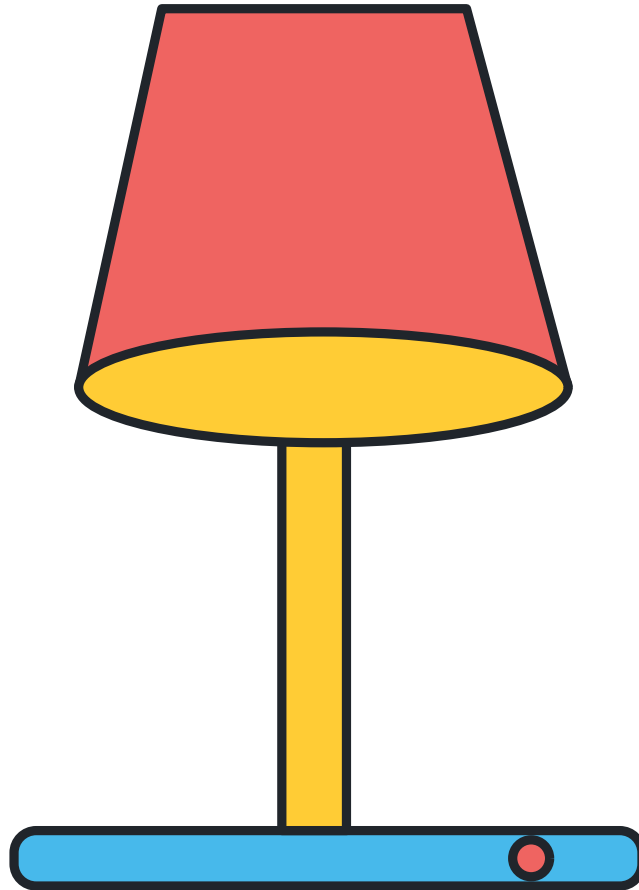

I found _____ bubbles.

☐ Shapes drawn

☐ Colours added

☐ Finished

Desk Lamp

Make it in MS Paint

1. **Shapes > Rounded rectangle:** Draw a wide blue base near the bottom.
2. **Shapes > Rectangle:** Add a thin yellow stand above the base.
3. **Shapes > Line:** Draw a short top, two sloping sides and a wide bottom for the shade.
4. **Fill with color:** Fill the closed shade red.
5. **Shapes > Oval:** Draw a wide yellow oval across the bottom of the shade.
6. **Shapes > Oval:** Hold Shift to add a small red switch on the base.

Find and Count

Point to the yellow shapes. How many can you find?

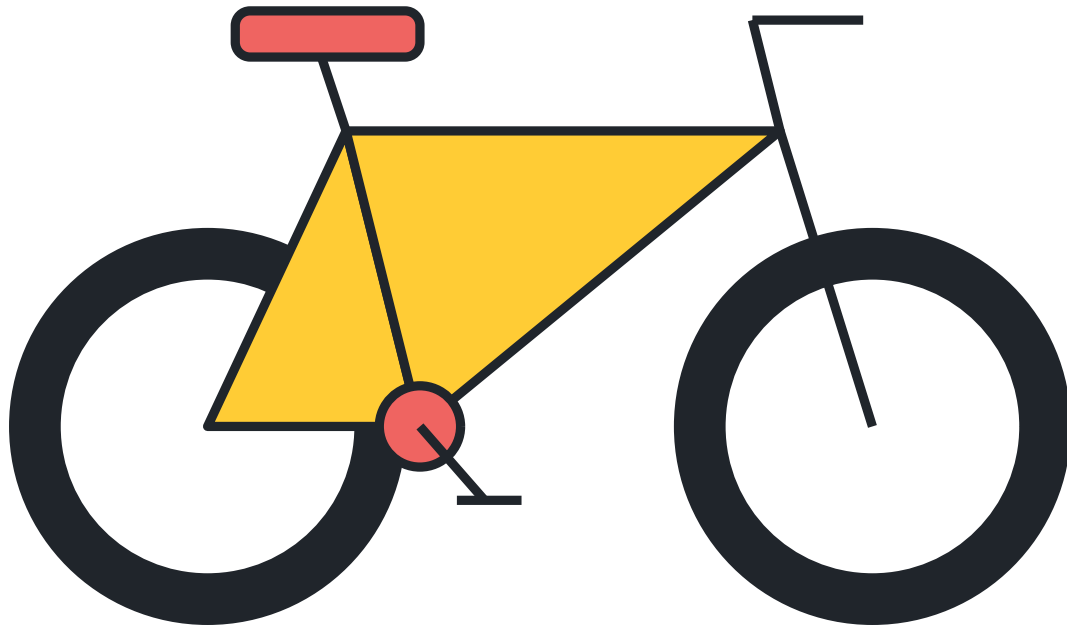

I found _____ shapes.

☐ Shapes drawn

☐ Colours added

☐ Finished

Bicycle

Make it in MS Paint

1. **Shapes > Oval:** Hold Shift for two black wheels. Add smaller white circles inside.
2. **Shapes > Line:** Join the left wheel centre to the pedal point and seat stem to make a triangle.
3. **Shapes > Line:** Join the seat stem, pedal point and front fork top to make another triangle.
4. **Shapes > Line:** Draw the front fork to the right wheel centre, then the bent handlebar.
5. **Shapes > Line:** Extend the seat stem. Add a red Rounded rectangle seat.
6. **Shapes > Oval and Line:** Add a red pedal circle and a bent pedal arm. Fill both frame triangles yellow.

Find and Count

Point to the yellow frame triangles. How many can you find?

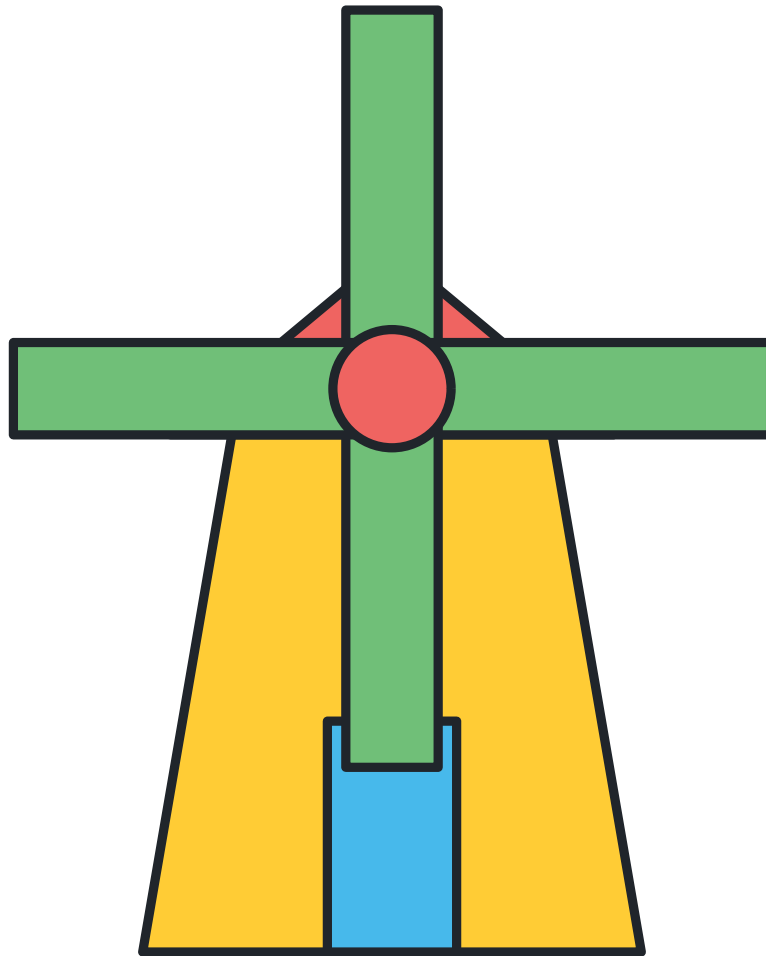

I found _____ triangles.

☐ Shapes drawn

☐ Colours added

☐ Finished

Windmill

Make it in MS Paint

1. **Shapes > Line:** Join four lines to make a tower that is wider at the bottom.
2. **Shapes > Triangle:** Add a red roof. Fill the tower yellow.
3. **Shapes > Rectangle:** Add a blue door at the bottom.
4. **Shapes > Rectangle:** Draw a long green blade going up from the roof centre, then one going right.
5. **Shapes > Rectangle:** Add one blade going down and one going left. Match the picture.
6. **Shapes > Oval:** Hold Shift to add a red circle over the middle of the four blades.

Find and Count

Point to the green blades. How many can you find?

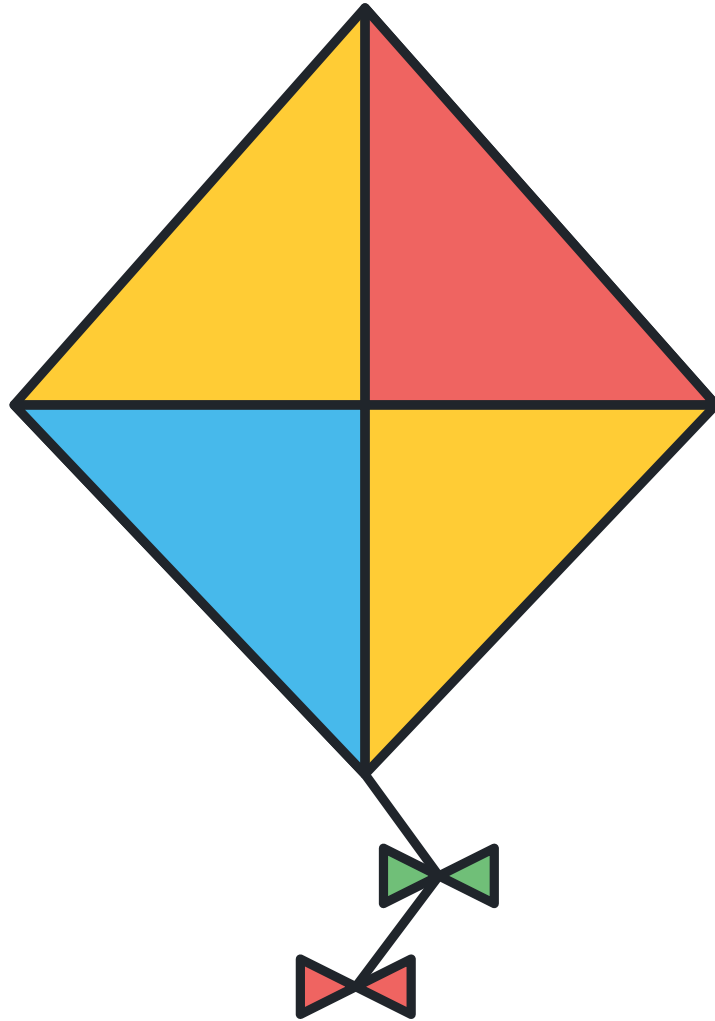

I found _____ blades.

☐ Shapes drawn

☐ Colours added

☐ Finished

Kite

Make it in MS Paint

1. **Shapes > Diamond:** Draw one large diamond for the kite.
2. **Shapes > Line:** Join the top corner to the bottom corner, then the left to the right.
3. **Fill with color:** Fill the top right triangle red and the bottom left blue. Fill the other two yellow.
4. **Shapes > Line:** Draw two joined sloping lines below the kite for the tail.
5. **Shapes > Line:** Make two closed triangles at the tail bend for a bow. Fill both green.
6. **Shapes > Line:** Add another two-triangle bow at the tail end. Fill both red.

Find and Count

Point to the triangles inside the large diamond. How many can you find?

I found _____ triangles.
